

SUPPLIER RELATIONSHIP MANAGER (PROVISION)

Supplier Relationship Manager – the job where you can influence price and quality by being good at what you do.

Are you driven by a career in a global organization, where most conversations are in English, and where you reach every corner of the world most days? As a Supplier Relationship Manager, you are responsible for securing the best value from our vendors on behalf of our customers – the crews at sea, who rely on Garrets to provide high quality good value provisions. The role will primarily focus on the execution of the Garrets provisions procurement & supply chain strategies and close liaison with our own Wrist supply network to drive continuous improvements in value & service delivery.

The position is based in Noerresundby, Denmark.

Key responsibilities:

- › Manage tenders in a designated country to ensure that Garrets has access to best value pricing
- › Ensure that suppliers meet our standards for food safety and quality
- › Monitor supplier performance based on competitive pricing, quality and service and hold regular service reviews with key suppliers
- › Handle escalations and issues relating to supplier quality
- › Identify ways to share best practice amongst our Supplier base, to enhance the Service of low performing suppliers or suppliers in areas of low awareness/development countries.
- › Contribute to the implementation of strategic initiatives with an emphasis on continuous improvement including system improvements to enhance overall planning performance and reporting

Qualifications & requirements:

- › At least 2 years previous experience in a procurement role
- › Proven commercial acumen
- › Comfortable with negotiating large or long terms contracts
- › Demonstrable excellence in stakeholder/relationship engagement and management.
- › Effective team-worker, willing to share workload, and exhibit flexibility when things are moving fast.
- › Able to work to tight deadlines and operate without direct supervision
- › Experience of operating in a multi-cultural and International environment
- › Full capability and flexibility to travel globally

We offer:

You can look forward to a professional and challenging job in a global company with an ambitious growth strategy. We offer a positive, informal and international working environment where you will be surrounded by skilled colleagues. We wish to be the best at what we do, and everything we do, is based on our values of "Hard Working, Winning Attitude, and Customer Orientation". The salary will correspond with your qualifications and results.
